The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings, the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The authors, Hongting Zhai, Qingrui Zhang, Ruilin Tang, Qi Zhai, Ruochen Bian and Xinxin He, have not responded to correspondence regarding this retraction. The Publisher has not been able to obtain current email addresses for authors Lili Sun & Yantong Zhang.
